Registration page:

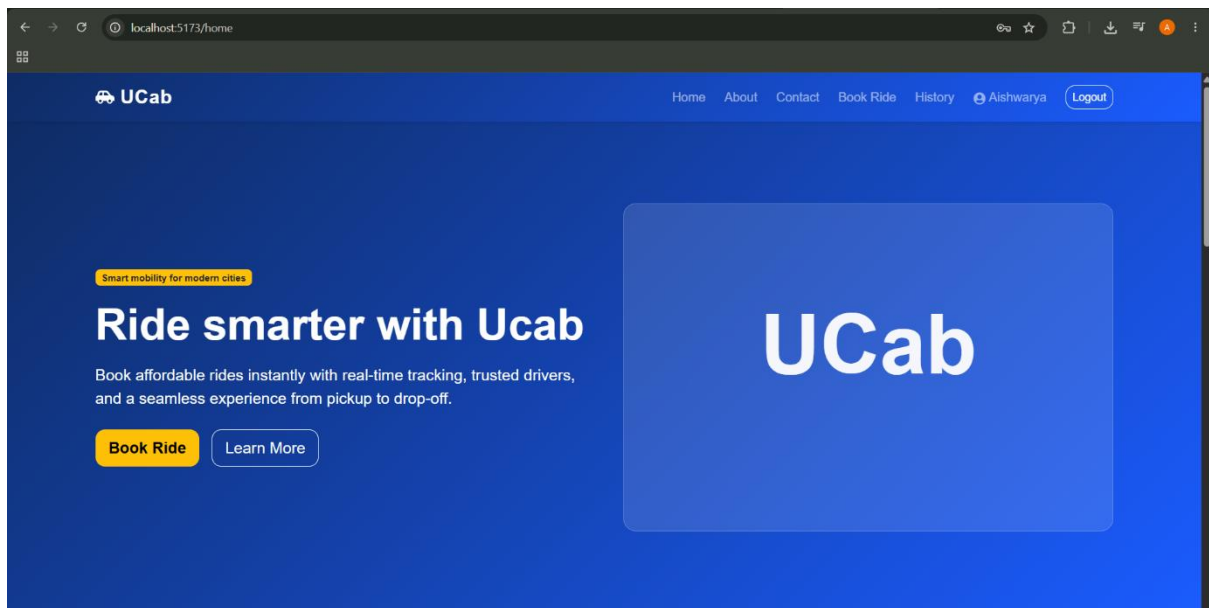

The screenshot shows a web browser at localhost:5173/register. The page has a blue header with the Ucab logo and navigation links: Home, About, Contact, Book Ride, History, Aishwarya, and a Logout button. The main content area is white and features a green circular icon with a person symbol. Below this, the heading "Create your account" is displayed, followed by the subtext "Join Ucab as a rider, driver, or admin". The registration form includes fields for "Full Name", "Email", "Phone", "Role" (a dropdown menu currently set to "User"), and "Password". A green "Register" button is positioned below the form. At the bottom, there is a link: "Already have an account? [Sign in](#)".

Login page:

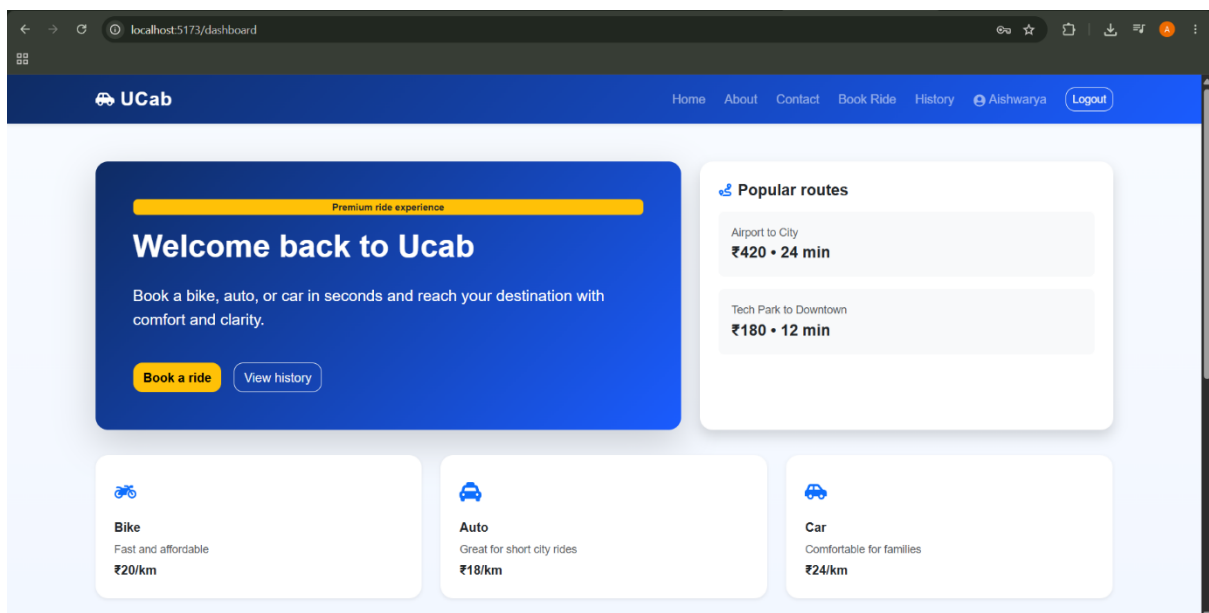

The screenshot shows a web browser at localhost:5173/login. The page has a blue header with the Ucab logo and navigation links: Home, About, Contact, Book Ride, History, Aishwarya, and a Logout button. The main content area is white and features a blue circular icon with a car symbol. Below this, the heading "Welcome back" is displayed, followed by the subtext "Sign in to continue to Ucab". The login form includes fields for "Email" and "Password". A blue "Login" button is positioned below the form. At the bottom, there are two links: "Forgot password? [Reset here](#)" and "New to Ucab? [Create account](#)".

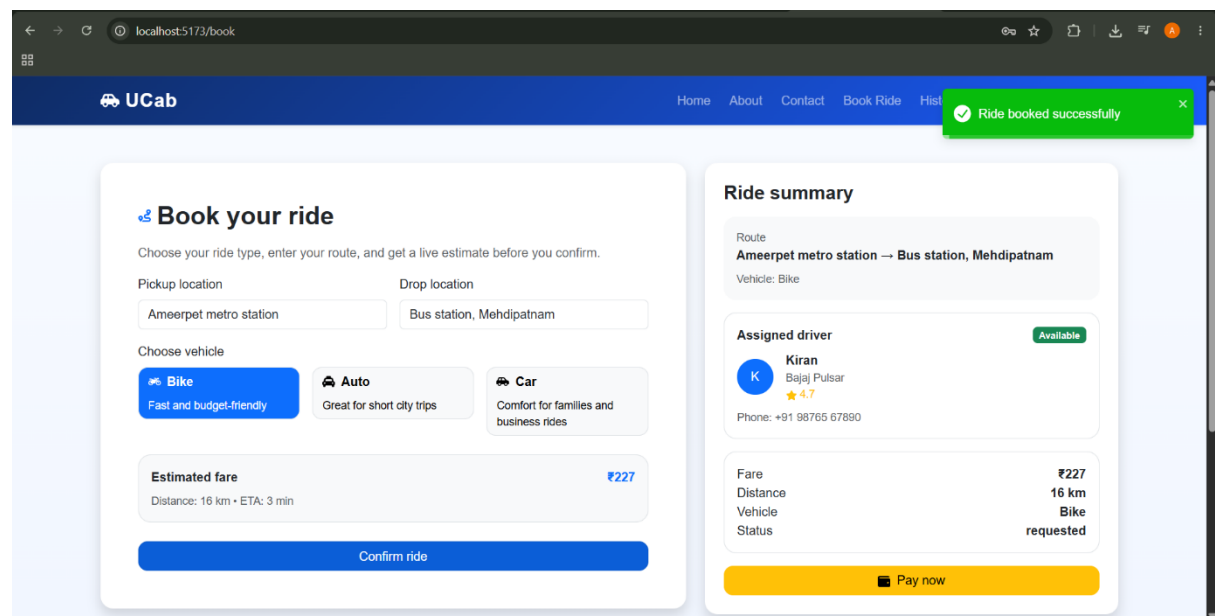

Welcome page:

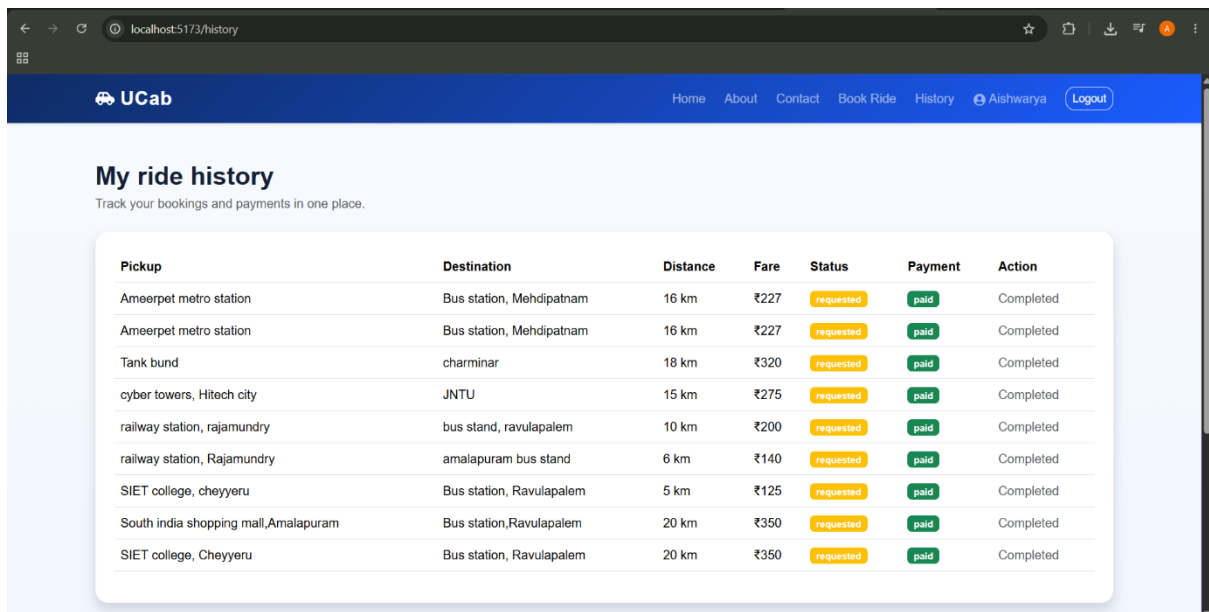

Home page:

The screenshot shows a web browser at localhost:5173/book. The UCab application has a dark blue header with navigation links: Home, About, Contact, Book Ride, History, and a user profile for Aishwarya with a Logout button. The main content is split into two columns. The left column, titled 'Book your ride', guides the user through selecting a pickup location (Cyber towers, Hitech city), a drop location (AMB mall), and choosing a vehicle (Bike, Auto, or Car). The 'Auto' option is selected. Below this, it shows an estimated fare of ₹305 for a 18 km trip with a 4-minute ETA. A large blue 'Confirm ride' button is at the bottom. The right column, titled 'Ride summary', features a driver icon and a message stating that ride details, driver assignment, and payment options will be provided after booking.

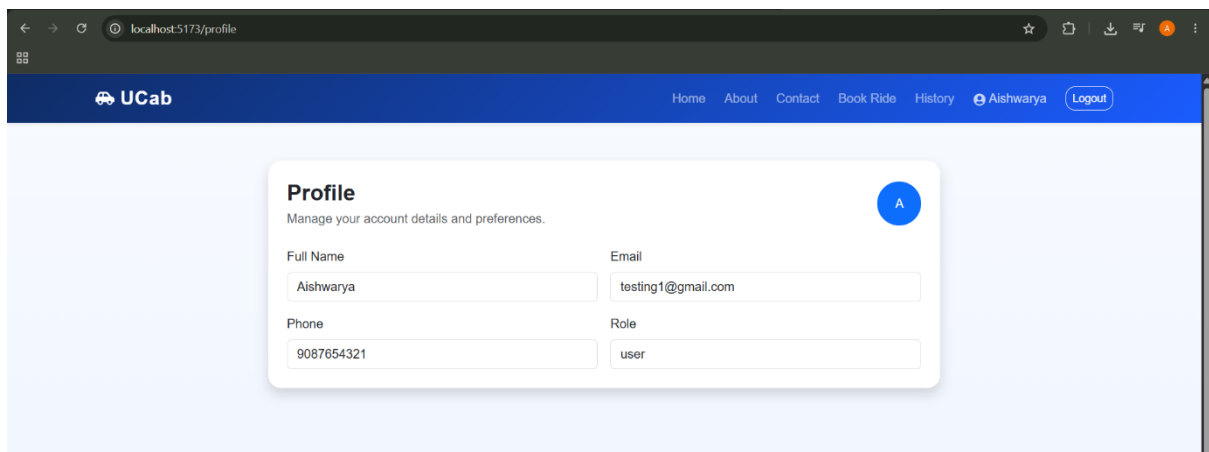

Ride history page:

The screenshot shows the 'My ride history' page of the UCab application. The page has a blue header with the UCab logo and navigation links: Home, About, Contact, Book Ride, History, Aishwarya, and Logout. Below the header, the title 'My ride history' is displayed with a subtitle 'Track your bookings and payments in one place.' The main content is a table with 7 columns: Pickup, Destination, Distance, Fare, Status, Payment, and Action. The table contains 9 rows of ride data, all with a status of 'requested' and a payment status of 'paid'.

Pickup	Destination	Distance	Fare	Status	Payment	Action
Ameerpet metro station	Bus station, Mehdiapatnam	16 km	₹227	requested	paid	Completed
Ameerpet metro station	Bus station, Mehdiapatnam	16 km	₹227	requested	paid	Completed
